

# Direct Commerce Delivers the Insights and Intelligence You Need to Keep Moving Forward

To get the most out of source-to-pay (S2P) automation, and to make sure your day-to-day operations are going smoothly, you need accurate, real-time information on transactions, discounts, disputes, supplier updates, adoption rates, and more.

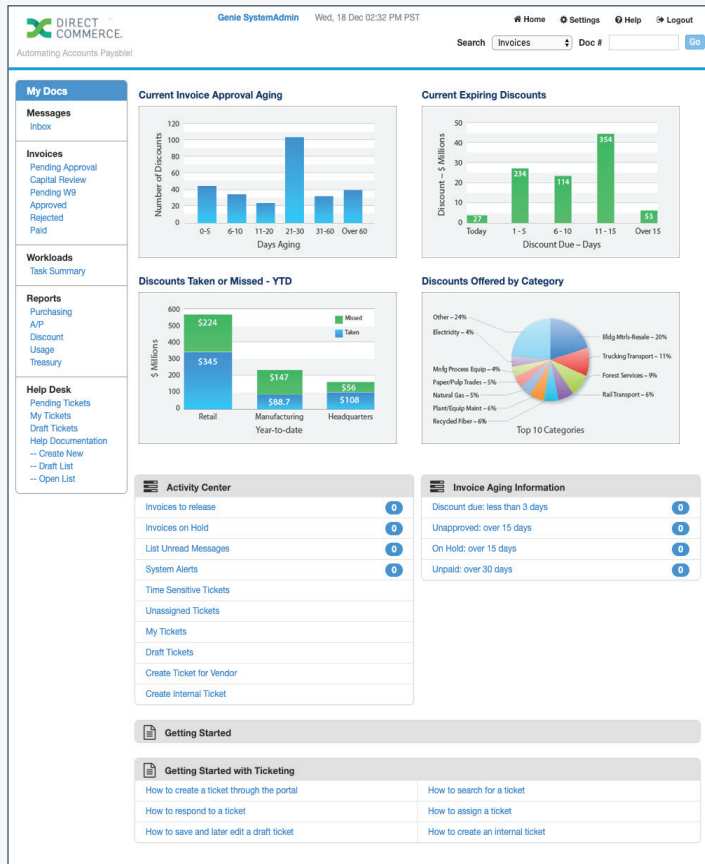

Reporting & Analytics capabilities from Direct Commerce add tremendous value to your S2P activities, by allowing you to maximize your discounting program, optimize supplier help desk activities, and make other informed decisions.

To get started, email [sales@directcommerce.com](mailto:sales@directcommerce.com)  
or call 415-288-9700.

**Access  
all the  
information  
you need  
to be  
successful,  
today and  
far into the  
future.**

# Reporting & Analytics Solution Highlights

## Data Visualization

Shine a light on critical business information and receive updates in real time.

## Key Stakeholder Reports

Choose from an array of standard reports or create your own. Reports you generate can be sent to anyone via email or file download.

## Informed Decisions

Gain insights into user workloads and activities, transactions and discounts, supplier behavior, and much more.

## Tap into Our Expertise

Transforming source to pay (S2P) requires a trusted partner who understands your issues, responds to your challenges, and keeps you moving forward. Direct Commerce has earned its reputation as the global leader in S2P and is eager to provide your organization with the most valuable services and solutions available. For more information, email [sales@directcommerce.com](mailto:sales@directcommerce.com) or call 415-288-9700.
